

Empathy Map

PocketSmart AI | Team ID 6aba1a835015c35b98635933 | Team Leader: Rohith S | Members: Heedhesh R, Ashwin S, Chandru T

Persona: Meena, 29 - software employee in Chennai who has just rented a flat. She has about Rs. 2,00,000 to furnish it and plans a small housewarming.

SAYS	THINKS
"How much should I spend on a sofa versus lighting?" "I do not want to go over budget." "Which site is cheaper for this?"	"Prices online keep changing." "I might forget something important." "I need a plan I can trust as a starting point."
DOES	FEELS
Browses Amazon, Flipkart and IKEA in many tabs Notes prices in a phone notepad Asks friends for vendor names	Overwhelmed by choices Worried about hidden costs Relieved when costs are split into clear categories
