PocketSmart AI | Team ID 6aba1a835015c35b98635933 | Team Leader: Rohith S | Members: Heedhesh R, Ashwin S, Chandru T

- Each member presents the module they built, with clear hand-offs.
- Explain technical terms briefly for non-technical judges.
- Rehearse at least twice and keep to 8 minutes.
- Prepare answers on: why Gemini, what happens without an API key, how data and images are protected, and how accurate the prices are.
- Team coordination: shared group chat, short daily check-ins, GitHub for code changes.
